CULTURE DAYS

Visit www.durhamtourism.ca or www.culturedays.ca to view a list of events and create your own celebration schedule.

Introducing Culture Days in Durham, an interactive FREE celebration of our local culture. Between September 24 and 26, Durham residents will come together and participate in events that celebrate the creative expression of our region's artists in every community. Culture Days in Durham will feature free, hands-on, interactive activities and "behind the scenes" experiences where you can discover the world of artists, creators, historians, architects, curators and designers in your community.
